## The Associates are the Women Who Care

**Sandy Stackler**

### *A word from our President...*

Dear Members and Friends of The Associates,

I am honored to serve a third term as president of the Associates of the Jewish Home for 2019. This vital and vibrant organization has been serving the Jewish Home since the 1920s.

We are fortunate to have many of our past presidents and board members still active in our organization today. By offering numerous ways to get involved, we continue to attract new members and are currently more than 250 members strong.

The mission is still the same as it has been since the beginning: to help the Home provide excellence in senior care reflective of Jewish values. It is important to note that the Jewish Home is a non-sectarian organization that serves seniors of all faiths and ethnicities.

In addition to my major goal of fundraising, my objective for 2019 is to:

1. Increase our reach and get the word out about the Los Angeles Jewish Home.
2. Raise awareness and educate the community to our cause.
3. Build our membership via inspiring programs.

Before I close, I have one final thought: Our fundraising efforts are necessary and important to our success. The board and committees are busy planning an interesting year for The Associates. We are excited to have you join us for our programs and fundraising efforts.

*Sandy*

Thank you to everyone who ordered the  
**2019 Mah Jongg Card**

## Chanukah Swings out 2018

Last December, The Associates held its annual holiday party for the Eisenberg Village residents, who were treated to exceptional music by The Klezmer Juice Band, led by Gustavo Bulgach. The music was so lively with an international flair that some of the residents showed their enthusiasm and energy by dancing between the dining room tables. It was quite difficult to end the entertainment since everyone was having such a good time.

After the delightful entertainment, The Associates distributed "Molly dollars" to each resident. These gift certificates were to be used in the beauty and candy shops.

## The Associates Welcomes its New Members

On a sunny day in early January, with a welcomed respite from the rain, 25 new members of The Associates joined many board members at the stunning Beverly Hills estate of Sue Galen for a New Members' Tea.

In addition to graciously opening her home for this event, Sue also generously donated the cost of renting tables, chairs, and silver service, setting a beautiful ambiance for the day.

Membership Vice-President Madeleine Schulsinger organized the event, beginning with arranging for the home to contracting with the caterer, who served a variety of delectable finger sandwiches, quiches, fruit tarts, and sweet desserts.

Madeleine welcomed the guests to the Tea with a brief introduction of the auxiliary; then she introduced Steve Klappholz, VP of the Jewish Home Foundation, who welcomed and thanked the women for their support of the Home.

Sandy Stackler, president of The Associates, encouraged the new members to share their interests and talents and to become involved in the organization.

## Installation of Officers

The 2019 Installation Luncheon for Officers and Board of Directors was held at El Caballero Country Club in January. After President Sandy Stackler welcomed everyone, a sumptuous buffet lunch was enjoyed.

The program then began with Sandy's presentation. Andrew Berman, Chair, Board of Directors of the Jewish Home, accepted a check for **\$367,025.46**, representing the organization's fundraising efforts for 2018. He gave an update of the Home, and a short discussion followed.

Diane Miller, Installation Chair, made the presentation of the Eighth Annual Past Presidents' Council Recognition Award to Terri Bloomgarden. Her dedication and many years of service to the Jewish Home made her so worthy of receiving this prestigious honor. Terri gave a heart-warming acceptance speech.

After the Installation Ceremony, Sandy Stackler, now beginning her third term as president, gave a wonderful talk about her past 2 years and how she is now more ready than ever to take on the presidency with the chief goal of fundraising.

Many thanks to Diane for always chairing the Installation Luncheon, to Anne Goldstein for making the arrangements for every event at the venue, and to Melinda Seltzer for the lovely rosebuds presented to the executive board members and bouquet presented to Sandy..

## Author's Day

The popular Author's Day was held at The Luxe Sunset Boulevard Hotel on February 7. After Sandy Stackler, president of The Associates, welcomed everyone, Corey Slavin, VP, Community Engagement, gave an update on the Jewish Home. Diane Miller, chair of every Author's Day from its inception, introduced Dr. Michael Roizen, author of "What to Eat When."

The audience listened attentively while viewing slides as Dr. Roizen spoke about aging and the different ways of preventing dementia. After his insightful presentation, a delicious lunch was served. Dr. Roizen then answered questions as he was busy signing books, which the guests were anxious to purchase. Many thanks to Dr. Roizen for graciously donating his time to be the guest speaker.
